

# INKAI Global Network

## Sponsorship & Partnership One-Page (2025)

### About INKAI

INKAI Global Network is an international platform accelerating ethical, human-centered creativity in the age of intelligent technology. Founded from the Global South, INKAI unites creators, researchers, and institutions shaping the future of responsible Human-AI collaboration.

### Core Initiatives

- INKAI Prize: Celebrating excellence in ethical Human-AI creative work.
- HumanAI Publications Expo: A global showcase for high-quality co-created publications.
- Imigongo 2.0: A cultural innovation program blending African artistic heritage with modern AI creativity.

### Why Partner with INKAI?

Organizations partnering with INKAI gain global visibility, alignment with ethical innovation, and access to a creative-technological movement that defines the standards of future Human-AI collaboration.

### Sponsorship Levels

- Gold Partner: Premium visibility, strategic collaboration, and feature placement.
- Silver Partner: Visibility across selected programs and events.

- Bronze Partner: Recognition on digital channels and selective collaboration options.
